Register now: How it works!

With one click in the S-ID-Check app, your credit card purchase is completed securely and conveniently.

1 www.s-id-check.de

Go to the website www.s-id-check.de - click on the blue button "Start now!"

www.s-id-check.de

Select credit card provider.

Enter 16-digit card number.

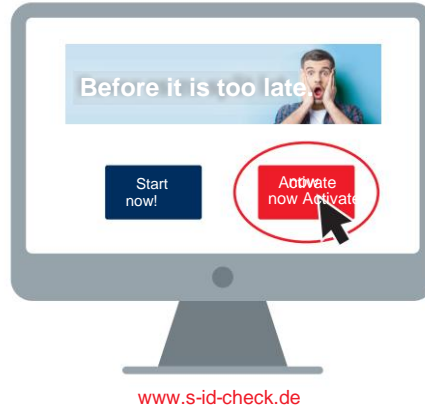

Then request your activation code. Depending on your credit card, you will receive different shipping options.

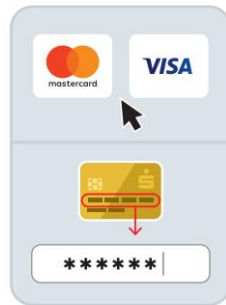

2 Get activation code

Have you received your activation code? At www.s-id-check.de click on the red button "Activate now!"

www.s-id-check.de

Select credit card provider and enter credit card number.

Please enter the activation code.

Download the S-ID-Check app now. Confirm the installation with one click on the website.

3 Add credit card to app

Scan the QR code with the app or enter the registration code displayed. You will receive confirmation in the app when your credit card has been added.

www.s-id-check.de

You then decide whether you want to additionally secure each payment transaction with a PIN or a biometric feature.

Finally complete the registration on the website and you're done! You will then see the competition link – just click and win!

You have further questions?

There is an extensive FAQ area and numerous videos at www.s-id-check.de (also at www.youtube.com/sidcheck1).
